

SHED COMPONENTS

Everything you need for shed manufacturing.

UFP Industrial has all your shed component needs from top to bottom, inside and out. Whether you need durable SuperStratum panels made with ArmorThane for your shed floor, high-performance OSB, or custom-built roof trusses, we've got you covered. The ArmorThane floor panels come in black and flipper and feature unmatched durability, slip-resistant surface, and is virtually impervious to oil and moisture.

See more information on reverse side for components including wall studs, pre-cut panels, and trim and siding. **For better pricing and total confidence, call us today.**
