

SHED DECK

Premium Engineered Strand Panel for Shed Floors

- Suitable for plywood replacement
- Strong fastener holding
- Excellent anti-swell properties
- Smooth sanded finish on face of panel with no panel markings
- Excellent resistance to twisting, cupping, cracking and warping
- The latest in strand and resin technology
- CARB (California Air Resource Board) exempt – free of any urea-formaldehyde resins
- No knotholes or core voids, and withstands higher impacts than plywood alternatives
