

CRATES & BOXES

Moving beyond 'the box' in out-of-the-box ways

UFP Industrial is one of the largest and most innovative manufacturers of crates and boxes in the world, bringing unmatched design and engineering expertise, technology, and sourcing capabilities to customers worldwide.

Our customized crates and boxes are created by experienced packaging specialists who consider every aspect of the shipping process, including strength, weight, transportation requirements, production processes, ergonomics, environmental impact and cost.

Our solutions can include wood, steel, plastic, precision-cut foam and other materials. They range in size from small boxes to 100-foot containers and protect everything from sensitive electronics to massive generators. We also provide complete design and testing capabilities.

Products and services

WOOD CRATES

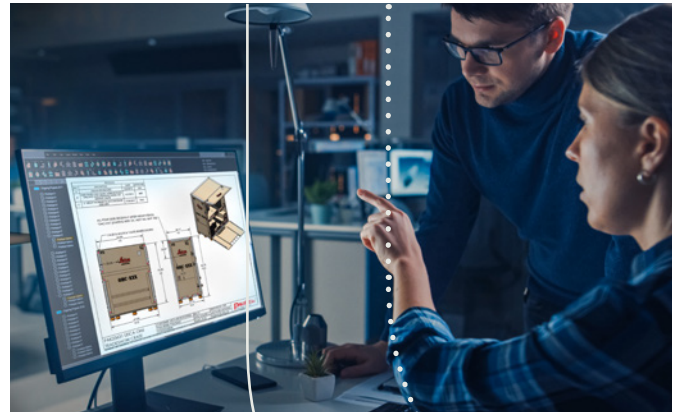

- Custom crates to fit and ship any product
